

TAKE THE PLEDGE

Be an advocate for sports safety!

HEALTHCARE PROVIDER

The STOP Sports Injuries campaign needs your help spreading the word to your friends, family members and community about the importance of sports safety.

I Pledge To:

- Protect my patients from sports injuries through education and communication about the long-term effects of sports injuries.
- Discuss the importance of playing sports pain-free with my athlete patients and their parents.
- Stress the importance of safe play and proper injury prevention techniques with my patients and their parents.
- Support the STOP Sports Injuries campaign by telling my patients and their parents as well as fellow healthcare providers about it.
